

Did you know . . .

Medford's use of clean energy ranks us 3rd in Massachusetts Electric's GreenUp Program?

Solar panels on Medford City Hall provide a significant share of the building's annual energy needs?

Just one wind generator at the site of the new schools could provide 20% of the school's energy each year?

Medford leads with clean energy!

CLEAN ENERGY. LET'S MAKE MORE.

MEDFORD CLEAN ENERGY COMMITTEE
